Dear Commissioner Zemsky:

I write to express my support for Fort Plain Museum's application with the American Battlefield Protection Program to receive grant funding for a battlefield study of the Revolutionary War Battles of Stone Arabia and Klock's Field, which took place on October 19, 1780. Additionally, Fort Plain Museum plans on building a battlefield park in the Town of Palatine.

I am pleased to support this grant proposal and urge its approval. Please keep my office apprised on the progress of this initiative and feel free to contact my office at 2 Hudson Street, PO Box 775, Kinderhook, NY 12106. You can also reach my office by phone at (518) 610-8133 or by fax (518) 610-8135.

Sincerely,

John J. Faso
